Product Description

Reusable Silicone Baby Feeding Set Tasteless , BPA Free Weaning Silicone Set 8 Pcs

Product Description:

Introducing our Reusable Silicone Baby Feeding Set! This 8-piece weaning silicone set is made from high-quality silicone that is tasteless, BPA-free, and safe for your baby.

Baby Feeding Tools is an excellent choice for parents looking for a reliable and safe way to feed their little ones. This set includes four different sizes baby silicone feeding spoon, two baby feeding silicone straw cup, and a non-allergenic ergonomic handle that is heat resistant and ensures a comfortable grip for both parents and babies. The spoon and the cup are designed to be lightweight and easy to hold, making it ideal for babies to use. The silicone material is BPA-free and free of other harmful chemicals, making it safe to use and ensuring that there are no hazardous substances that could be ingested by your baby. The spoon and cup are designed with a unique shape that make them easier for babies to hold, making mealtime a pleasant experience for both parent and baby. With its ergonomic design and heat resistance, this Baby Feeding Tools set is perfect for any mealtime routine.

The feeding set includes a variety of shapes and sizes designed to introduce your baby to a wide range of textures and tastes. Each piece is easy to clean and disinfect, making it convenient to use on the go.

So if you are looking for a safe, effective, and convenient way to introduce your baby to solid foods, be sure to check out our Reusable Silicone Baby Feeding Set!

Applications:

Baby Feeding Tools: Bober

Bober Baby Feeding Tools provide a convenient and safe way to feed your baby. Our products are FDA certified and made of non-allergenic, heat-resistant silicone, making them perfect for baby feeding. The plate has a suction base for added safety, and the spoon and bib are designed with rounded edges for your baby's comfort. The products are dishwasher safe and come in a bright blue color. Whether you are looking for a baby food plate, spoon, or bib, Bober has the perfect product for your baby's needs.

Bober Baby Feeding Silicone

Bober Baby Feeding Silicone is designed to provide a safe and comfortable experience for your baby. Our silicone is FDA certified, non-allergenic, and heat resistant, making it the perfect material for baby feeding. The silicone is also dishwasher safe, so you can quickly and easily clean all of your baby's feeding tools.

Bober Baby Food Plate

Bober Baby Food Plate is designed with a suction base for added safety and stability. The plate is made of FDA certified, non-allergenic, heat-resistant silicone, so it is perfect for your baby's needs. The bright blue color makes it easy to find on the table or in the kitchen.

Bober Baby Bib

Bober Baby Bib is designed with rounded edges and made of FDA certified, non-allergenic, heat-resistant silicone. The bib is comfortable and easy to clean, making it perfect for your baby's needs. The bright blue color makes it easy to find in the kitchen or on the table.

Bober Baby Spoon

Bober Baby Spoon is designed with rounded edges and made of FDA certified, non-allergenic, heat-resistant silicone. The spoon is comfortable and easy to clean, making it perfect for your baby's needs. The bright blue color makes it easy to find in the kitchen or on the table.
